Mr Play Sports Betting

Review

Pros / Cons Cashout your bets on singles or multiples.

A very good bookmaker for

in-play betting.

Welcome bonus is really easy to claim with no catch.

Withdrawing your

money is easy through a number of methods. No mobile app yet.

Despite being a new

bookies to bet on sports, Mr Play certainly seems to hold its own. It uses software that will be familiar to punters so the website and mobile site has a familiar feel and this is a good point. The Mr Play casino is well respected and they will be hoping their sports betting goes the same way. The start looks good for them and they are certainly a new bookies I would recommend trying out. Because the free bet is so easy to claim it is worth giving them a go.

As well as all the usual betting markets for

football such as a team to win, both teams to score, over/under 2.5 goals and goalscorers, you will find over 150 other markets to bet on. Some of these include total team goals, first team to score, first half double chance, total corners, time of the first goal and will there be an own goal in the match.

The wide range of markets

for football fixtures gives a big tick in this Mr Play review for sports betting.

There

are also a wide range of sports to bet on at Mr Play, making them a versatile UK bookmaker on our list for many different sports. You can bet on all of the following sports with Mr Play:

Football

Horse Racing

Tennis

Golf

Darts

ESports

Table

Tennis

Basketball

Handball

Volleyball

Badminton

Basketball

Cricket

Snooker

Mr Play Sports Betting Promotions

Once you have got your Mr Play

account set up and loaded, it is time to place some bets. As well as the welcome bonus,

Mr Play also has some great promotions for betting on sports and these

include:

Playboost – Bet on accumulators at Mr Play and get rewarded with up to a 77% bonus on top of your winnings. Choose at least four selections for your bet and if the accumulator wins you get the payout boosted. The more selections in the bet, the bigger the boost all the way up to a 77% boost for a winning 15-fold accumulator.

Mr Play

Bonus Code on App and Mobile Site

Although there is not yet a Mr Play app for sports

betting, their mobile site is very very good. The site is quick to load and the in-play sections are always up to date so you can bet very quickly. As this is a mobile site it

is almost identical to the Mr Play website you will be used to seeing on your desktop or laptop. This is always a good advantage when you quickly want to find a league or team to bet on, especially in-play where the odds are changing all the time.
