Olá! Are you ready to learn about the biggest spenders in sports betting? Well, you're in luck because I've got the scoop on the top 10 countries that spend the most on sports betting. But before we dive in, let me ask you a question - are you ready to find out if your country made the cut?

First off, let's talk about the criteria I used to rank the countries. I considered various factors such as the number of active sports betters, the total amount spent on sports betting, and the growth of sports betting in each country. With that said, are you ready to see which countries made it to the top 10?

1. United States - No surprises here! The US takes the cake when it comes to sports betting, with a projected market size of R\$19.6 billion by 2025. It's not hard to see why, given the popularity of American Football, Basketball, and Baseball.
2. China - China's sports betting market is growing at an astronomical rate and is expected to reach a market size of R\$12.67 billion by 2025! The Chinese government's relaxation of gambling laws has led to a surge in sports betting popularity.
3. United Kingdom - The UK comes in third, with a projected market size of R\$6.46 billion by 2025. Sports betting has long been a popular pastime in the UK, with football being the most popular sport for betting.
4. Australia - Aussies love their sports, and it shows in their sports betting market, which is projected to reach R\$5.45 billion by 2025! With its love of sports, it's no surprise Australia has such a strong sports betting culture.
5. France - The French are known for their love of sports, and it translates to their sports betting market, with a projected size of R\$3.49 billion by 2025! From football to tennis, the French love to bet on their favorite sports.
6. Japan - Japan's sports betting market is expected to grow significantly, with a projected market size of R\$3.42 billion by 2025! The popularity of baseball and football has contributed to the country's Sports Betting boom.
7. Brazil - Coming in seventh, Brazil's sports betting market is projected to reach R\$2.88 billion by

2025. The country's love of football, or soccer, has contributed to its sports betting popularity.

8. Germany - Germany's sports betting market is projected to reach a market size of R\$2.59 billion by 2025. With a strong history of sports, Germany's sports betting market continues to grow in popularity.

9. Italy - Italy's sports betting market is projected to reach a market size of R\$2.32 billion by 2025! With its rich history in sports, it's no surprise that sports betting has taken off in Italy.

10. Spain - Last but not least, Spain's sports betting market is projected to reach a market size of R\$2.14 billion by 2025. From football to tennis, the Spanish love to bet on their favorite sports.

There you have it! Those are the top 10 countries that spend the most on sports betting.

Surprised by any of the countries that made the list? Comment below!

And, if you're wondering which sportsbook to use, take a look at this list of the best online sportsbooks. It's crucial to do your research and choose a reliable, secure sportsbook. Whether you're betting on the Premier League or March Madness, ensure you're doing it with a trusted and regulated Sportsbook.

It's essential to note that while Sports Betting can be exciting, it should be done responsibly. Do you gamble responsibly. Always remember, "Don't bet more than you can afford to lose!"

Cambios de actitud de los anunciantes hacia los influencers negros después del movimiento Black Lives Matter

Jessica Joseph, quien dirige una agencia de influencers británica con una base de talentos diversa, dice que notó un cambio de actitud de los anunciantes en la cima del movimiento Black Lives Matter (BLM).

"Hubo un gran período en el que trabajamos con marcas y lo hicieron consistentemente. Realmente querían voces negras", dice.

Ahora, el contacto ha cesado. "No ni siquiera recibimos una respuesta a nuestros correos electrónicos. No ni siquiera la cortesía de un no."

Beneficios desiguales en la industria de influencers

Los influencers son la clase celebridad de la era de las redes sociales y, para muchas personas, parecen tener el trabajo soñado: viajes extranjeros, ropa llamativa, cenas elegantes, relacionándose con viejas estrellas – y todo por dinero.

Pero los beneficios no se distribuyen por igual. Preocupaciones de larga data sobre la desigualdad salarial dentro de la industria no se están abordando, según un informe de este mes, con influencers blancos que en promedio ganan más del 50% que algunos de sus contrapartes BAME. Joseph, quien dirige Season25, una agencia de influencers que promueve la diversidad en su lista, dice que el interés en sus clientes ha "cambiado" desde que BLM alcanzó su punto máximo en 2024-21.

Origen étnico Promedio de pago por video patrocinado en Instagram

Sureste asiático	£700
Sur asiático	£1,135
Negro	£1,080
Este asiático	£1,010
Blanco	£1,638

El informe de la agencia SevenSix con sede en el Reino Unido muestra que los influencers de ascendencia del sureste asiático ganan un promedio de £700 por video patrocinado en Instagram, un 57% menos que el promedio de £1,638 para los influencers blancos. Los influencers de ascendencia sur asiática, negra y este asiática también ganan cantidades más bajas, con un promedio de £1,135, £1,080 y £1,010, respectivamente.
