We always settle bets as quickly as possible and as soon as the results are available. We aim to settle all bets within an hour of the event finishing and In-Play bets during the event, where the result is available. In some instances, there may be a slight delay whilst we wait for confirmation of the results.

Bets will be settled once the full result of that event or market is known. Sometimes results may be delayed due to a photo finish, a force majeure or a technical issue. If a bet you've placed hasn't been settled, make sure that the event has finished.
