## UFC 299: O'Malley winvs Vera in an exciting rematch!

### Historic moment in the UFC with an electrifying fight and performance bonus distribution

On March 9, 2024, at the Kaseya Center in Miami, UFC 299 presented an unforgettable night of exciting fights. The main event featuring Sean O'Malley and Marlon Vera was the highlight of the night, with O'Malley securing the win by unanimous decision.

The fight was a highly anticipated rematch and did not disappoint. Both fighters showed determination and impressive skills, resulting in a balanced and action-packed match. In the end, O'Malley proved to be the better fighter, dominating Vera on the ground and avoiding his dangerous attacks.

In addition to the main event, UFC 299 also featured other notable matches. Merab Dvalishvili defeated José Aldo, while Miranda Maverick also secured an impressive victory. The night was capped off with a dominant win by Robert Whittaker over Paulo Costa.

UFC 299 was a huge success, with the organization distributing over R\$ 1.2 million in performance bonuses. O'Malley received the "Performance of the Night" bonus, while Vera was

recognized for his "Fight of the Night".

## Consequences

O'Malley's victory solidified his status as a rising star in the UFC. He is now undefeated in 16 fights and is considered one of the best bantamweights in the organization. The victory also puts him in a prime position to compete for the bantamweight title in the future.

Vera's loss was disappointing, but did not harm his status as one of the best fighters in the division. He remains a dangerous competitor and certainly return stronger.

## Estados Unidos fornecerá a Ucrânia sistemas de defesa aérea Patriot como parte de um pacote de ajuda adicional de R\$6bn

O secretário de Defesa dos EUA anunciou que fornecerá a Ucrânia sistemas de defesa aérea Patriot como parte de um pacote de ajuda adicional de R\$6bn, marcando o maior pacote de assistência de segurança dos EUA concedido até hoje. Esses mísseis serão usados para reabastecer sistemas Patriot anteriormente fornecidos e incluem munições adicionais para

sistemas avançados de mísseis superfície-ar nacionais, além de equipamentos adicionais para integrar lançadores, mísseis e radares ocidentais na artilharia ucraniana, a maior parte da qual ainda data da era soviética.

## Flexibilização do prazo para entrega de equipamentos

Ao contrário do pacote de R\$1bn anunciado na quarta-feira, que contém itens que serão retirados dos estoques dos EUA, o mais recente assistirá será adquirido na indústria de defesa, o que levará mais tempo para chegar ao campo de batalha.

## A necessidade do presidente ucraniano por sistemas Patriot

O presidente ucraniano, Volodymyr Zelenskiy, discutiu a necessidade de Patriots no início da terça-feira com o Grupo de Contato da Defesa da Ucrânia, uma coalizão de cerca de 50 países que se reúne virtualmente a bordo de uma reunião liderada pelo Pentágono. Zelenskiy disse que pelo menos sete sistemas Patriot eram necessários para proteger cidades ucranianas e que "urgimos Patriot sistemas e mísseis para eles".

## Os aliados precisam assumir riscos adicionais

O secretário de Defesa dos EUA, Lloyd Austin, pediu a nações aliadas que "aceitem um pouco mais de risco" ao considerarem quais armas enviar para a Ucrânia. Alguns países têm relutância a enviar sistemas de defesa aérea Patriot para a Ucrânia, pois não têm muitos e acreditam que precisam deles para a própria defesa. Austin also stated that it's not just Patriots that Ukraine needs, but other types of systems and interceptors as well, and that he is working with allies to resource additional Patriot systems but did not commit to sending more BR versions.
