1xBet, a partner of English top-flight soccer clubs Chelsea, Liverpool and Tottenham Hotspur, has suspended its UK operations following a Sunday Times investigation into improper conduct.

The Russian gambling firm has blocked access to its site in the UK, but is still actively promoting itself on social media, including relationships with its Premier League partners.

The Sunday Times investigation into the firm's global operations found that 1xBet was promoting a casino featuring topless croupiers, taking bets on children's sports, advertising on illegal websites and cockfighting live streams emblazoned with the three club's logos. In response to the findings, the Gambling Commission confirmed it had launched an investigation.

Some of the clubs' top players, including Roberto Firmino, Willian and Olivier Giroud, have all fronted campaigns for the Russian company, which is now based in Cyprus.

The three Premier League clubs, who finished second, third and fourth last season, all have close ties to the 1xBet.

Last August, Tottenham revealed 1xBet as their official betting partner for Africa. The firm's licence has since been suspended in Kenya – a country with an endemic problem with gambling addiction – over betting industry-wide tax issues.

Meanwhile, Chelsea and Liverpool only penned deals with 1xBet in July. Additionally, Spanish soccer champions Barcelona, ranked as the world's fourth most valuable sports team, have a global betting partnership with the company until June 2024.

In response, 1xBet blamed its overseas marketing partners for its promotions and advertising on piracy websites.

The company told the Sunday Times: "If any of these third-party networks or partners are found to advertise the 1xBet brand on prohibited sites or sites which break the law, 1xBet shall investigate immediately."

Betting tech company FSB Technology said players deposits would be protected on the suspended website and told the Sunday Times that it had always complied with UK regulations, adding it would renew its licensing agreement with 1xBet.

Tottenham told the UK weekly that 1xBet had assured them that it provides a safe environment to protect people from "irresponsible gambling and addiction".

Liverpool confirmed to the Sunday Times that there were restrictions on their partnership deals to ensure all marketing content was appropriate.

Chelsea did not respond to a request for comment from the newspaper.

## **Principal de Red Bull reprimido Toto Wolff por su interés en Verstappen**

El director del equipo Red Bull, Christian Horner, ha reprimido a su homólogo en Mercedes, Toto Wolff, por mostrar interés en su campeón mundial Max Verstappen. Horner instó a Wolff a concentrarse en resolver los problemas de su equipo en lugar de tratar de "cortejar" a Verstappen.

Verstappen ganó el Gran Premio de China con una conducción dominante desde la pole position, su cuarta victoria en cinco carreras esta temporada, y se mantiene en camino a su cuarto campeonato mundial. Su manejo de la carrera fue tal que en ocasiones fue hasta casi un segundo por vuelta más rápido que el resto del campo.

Mercedes ha luchado desde el cambio de regulaciones de 2024, con Lewis Hamilton en noveno y George Russell en sexto en China. Wolff no ha ocultado su deseo de llevar a Verstappen, actualmente vinculado a Red Bull hasta 2028, a Mercedes para reemplazar a Hamilton, quien se unirá a Ferrari la próxima temporada.

Después de la victoria en Shanghai, Horner mantuvo firmemente que los problemas de Wolff no son sus pilotos y que debería concentrarse en resolver otros elementos en lugar de enfocarse en conductores que no están disponibles. Mercedes se encuentra actualmente por detrás de sus equipos cliente. El tiempo de Wolff sería mejor gastado enfocándose en el equipo que en el mercado de pilotos. A veces solo está diseñado para crear ruido.

"No creo que los problemas de Toto sean sus pilotos", dijo Horner. "Tiene otros elementos en los que necesita enfocarse, en lugar de enfocarse en conductores que no están disponibles. Mercedes está por detrás de sus equipos clientes en este momento. Su tiempo sería mejor gastado enfocándose en el equipo que en el mercado de pilotos. A veces se trata solo de crear ruido".

"Puedo asegurarle que no hay ambigüedad acerca de dónde estará Max Verstappen el próximo año. No sé cuántas veces más Max pueda decir que se quedará. Hoy superamos a Mercedes en términos de carreras ganadas en la era moderna. Así que, ¿por qué querías irte?".

A pesar de tener un contrato, Verstappen no ha descartado inequívocamente un cambio recientemente, notando antes de la carrera que desea un "entorno tranquilo y pacífico" cuando se le preguntó sobre su futuro en Red Bull. Esto puede haber sido un comentario intencionado dado el alboroto que rodeó al equipo al principio de la temporada después de que Horner fuera acusado de comportamiento inapropiado por una empleada de Red Bull.

La queja fue desestimada por una investigación interna, pero se
