What are Beyblade Burst Games ?

Hello boys and girls and I guess you are looking forward seeing what has prepared to you this awesome gaming category, which involves, as you can predict judging by the title of this category, Beyblade Burst adventure. Most of you already know what is Beyblade Burst and you only are here for fun but for the others, who are beginners in this domain, let's make an introduce for you in this awesome world of gaming, alongside the Japanese heroes from Beyblade Burst. They are Japanese because the TV animated series Bleyblade, is created by the Japanese, originally being a manga, with such a great storyline, which has not became famous just like this, over the night, but it took a while, but in the end, the quality of the story, the amusement and the values presented in the series, have successfully pointed out its important character. There are a lot of

toys with Bleyblade too, so it has been a kind of viral since a couple of years ago, and it is still doing pretty fine. As the other Japanese animated series manga like Pokemon or Yu-Gi-Oh or Dragon Ball Z, Bleyblade impressed with its incredible lesson from each episode and of course, it proposes something catching for the people from all around the world, especially in the western world, where it's the most important. Beyblade Burst edition has been launched not long ago and it had such a great success not only among the teenagers, due to fact that the classical Balyblade started a couple of time ago, so that's why this category of games must present interest for many people, not only kids but teenagers and even adults! In Bleyblade Brust, the whole story starts with the kind of main character, a fifth grader boy, Valt Aoi. He is simply crazy for this Blayblade thing, which is a kind of fight between at least two players at once, who compete against each other using each of them their bladeblades, with a spinning ball on the top of it. The spinning balls are released and the balls start fighting each other, then they turn into some monsters in the real dimension and they fight there and only the strongest one survive and the other one is seriously damaged, and his bleyblade is destroyed. In the most of his time, Valt tries to learn everything about the Bleyblade art of fight, the competition, the tournament where only the best players in the world are engaged and he dreams to win the big tournament one day. His partner is Valtryek, an average beyblade but it is ready to progress and grow up alongside his master, sticking together it doesn't matter what. Valt has such a great friend, named Shu Kurenai. Shu is called one of the Four Spin Emperors, which means that he is one of the greatest beyblade players in the world, thing which motivates Valt even more than he was! Shu is considered a real genius when it comes to this fantastic Beyblade world and competition but he is a good friend of little Valt, despite the actual difference between them. Valt kept practicing and one day joined the tournament of Beyblade so he chases only victory, so his main goal, even since the beginning, is to win the competition and conquer each fight he is engaged, thing almost impossible, but he has a dream and a vision! The series promotes values of life like friendship, encourages you to chase your dreams and follow your instincts and practice so many times in order to make what you've proposed to you, it doesn't matter the circumstances. The rest of the story, will be found by you only if you join this incredible gaming world, where you can find so many incredible themed games, with bleyblade creatures, spinning balls, Shu, Valt, their creatures in different postures like puzzle challenges, memorizing games or even coloring books! Good luck and you will definitely not be disappointed for your choice!
