Slot Review

Senior Content Editor Written by: James J. Hetrick Read Time: 3 min.

Itero is the title developed by well known studio Hacksaw Gaming. Released on 05.05.2024 it became a hit among players for its thrilling engine and amazing artwork. This review describes all of its key characteristics that, along with the Itero slot demo mode available on clashofslots, give a great idea of the experience you'll be getting.

ITERO uses the EchoSpins™ mechanic! EchoSpins™ are a special form of respins where each respin is a copy of the triggering spin. On each EchoSpins™ spin all wins and multipliers reappear again and again to progressively and exponentially build up your winnings for a huge potential prize! This 5x4 slot uses payline wins and has a max win of 10,000 times your bet! Enjoy the bold visuals and stark contrasts in this Roman-themed state-of-the-art game as it takes you on a head-spinning journey from zero to hero. Veni, vidi, vici!

ECHOSPINS™

EchoSpins™ are a special type of respins where each spin is a copy of the original triggering spin. When the Hand of Jupiter symbols land with at least one winning payline, it reveals the number of EchoSpins™ awarded for that phase. Between 1 – 8 EchoSpins™ can be awarded by the Hand of Jupiter.

Each respin then repeats all the wins and multipliers from the spin before, stacking multiplier symbols progressively in the total multiplier value on top of the reels before applying the new total multiplier value to all winning paylines on the spin. The multipliers that land on the reels can be either additive or multiplicative. Multipliers are not applied to any wins except during EchoSpins™.

Additive multipliers can be: 2x, 3x, 4x, 5x, 10x

Multiplicative multipliers can be: x2, x3

BONUS GAMES

This game offers two bonus games triggered by landing the free spin symbol in the base game.

3 free spin symbols triggers bonus game Wrath of Jupiter.

4 free spin symbols triggers bonus game Gift from the Gods.

WRATH OF JUPITER

10 free spins

In this bonus game, there is a higher chance of landing the Hand of Jupiter symbols, with a better chance for a greater number of EchoSpins™ and higher multipliers!

GIFT FROM THE GODS

10 free spins

In this bonus game, all landed multiplier symbols are saved in the total multiplier on top of the reels. In the EchoSpins™ phases during this bonus game, the multiplier is not progressively increased. Instead, the total collected before the Hand of Jupiter landed is used for each EchoSpins™ respin in a phase. After a completed EchoSpins™ phase, the total multiplier resets and must be built up anew.

The symbol payouts displayed above reflect the currently selected bet level. The theoretical payout for this game is 96.18%. The RTP was calculated by simulating 10,000,000,000 rounds.

Bonus Buy

Players who want to play the exciting bonus games on this slot can do so directly via the Bonus Buy feature. You can activate the Wrath of Gods bonus game for 129 times the stake and the game's RTP will increase to 96.2%. On the other hand, 200 times the stake activates the Gift from the Gods bonus game and boosts its RTP to 96.25%.

Itero Slot Verdict

While Hacksaw Gaming provides some of the most impressive slots, the Itero slot is among its more classic but unique releases. Not only does this title feature classic and philosophical overtones, but it also offers thrilling gameplay with high-quality visuals and immersive sound quality.

In particular, the EchoSpins™ feature is among the best parts of playing this slot as it provides repeat wins and a possible multiplier build to maximize potential payouts. In addition, the bonus games increase your chances of earning that maximum win of x10,000.

You can play the Itero free slot on clashofslots or any other platform that offers Hacksaw Gaming products. Thus, try your hand at this slot even without making a deposit.
