Play the Winx Club Games to become a part of a magical realm! The fairies of Magix need your help to fight against evil and to protect their friends!

FAQ

What are the most popular Winx Club Games?

What are the best Winx Club Games to play on mobile devices?

How to play Winx Club Games without Flash?

While the Adobe Flash Player Plugin

is no longer supported, you can still access the Flash content on NuMuKi. Just download and install our custom NuMuKi Browser App. Then, you'll be able to play all your favorite Winx Club Games using the app. That's it!

Join the fairies on the planet of Magix!

The Winx Club Games will introduce you to a world unlike anything you have seen before. Everything is so colored, bright, sparkly, adorable, and filled with the mystical power of magic! However, this isn't the only thing that has transformed the Winx Club into a wildly successful animated fantasy and adventure series! In fact, this Italian-American television production has captured the hearts of fans all over the world, regardless of gender or age.

As a result, the show has been ongoing since 2004, generating huge sales of dolls, accessories, and other merchandise. What is more, there have been live-action adaptations, three movies, a comic book series, and even a stage musical. What a success!

Are you ready to step inside this magical realm? To begin with, you should know that this series follows a group of students at Alfea College for Fairies. As you might expect, this is no ordinary boarding school! Placed on the planet of Magix, this ancient place is where fairies learn how to control their powers and learn new spells. Moreover, they use their new skills to fight evil and be the guardians of their planets. Can you believe that some of them will even become the queens of their realms?

As is the case with any boarding school, the teenagers will

bond and form groups. You're in luck, as I will introduce to the coolest gang you'll ever meet! Six of the most exceptional students in the school have united to fight evil. Despite their many differences, they have learned how to stick together and face any adversities. See more of their magical realm with the World of Winx game!

Learn

true friendship with the Winx Club Games!

Are you ready to meet the members of the Winx

Club? They are so charming and unique that I'm sure you'll fall for them

immediately!

To begin with, let's meet the leader! At first, Bloom was an insecure

teenager who knew nothing about her real parents and magical powers. However, as she learns more about magic and her true origins, Bloom develops into a confident and powerful fairy.

In fact, she is the guardian of the Dragon's Flame, one of the most

powerful fairies in the Magical Dimension. What is more, she has a heart of gold and

many friends: fairies and animals alike. Help her pet bunny reach her in Kiko's

Adventure game!

Are you in the mood for a chat? Then look for Stella, the Fairy of the

Shining Sun! Even though her royal origins can make her proud and self-centered, she

cares deeply about her family and friends. Also, her charming optimism and killer sense

of fashion makes her presence truly lovely!

Next, I invite you for a stroll in the

gardens. Here you will meet one of the most kind-hearted and sensitive fairies, Flora.

Can you believe that she can talk to plants, help them grow, and even bring them back

to life? Visit her and lend her a helping hand with Flora's Garden game!

Are you ready

to meet Tecna? Beware, she is one of the most intelligent fairies you will ever meet!

Additionally, she is also tech-savvy and the tactician of the team. Isn't that

impressive?

What is that amazing sound? I think it's Musa, the Fairy of Music! At

first, she might seem snarky or harsh, but you'll soon discover that behind her rough

exterior hides an emotionally vulnerable girl.

Beware of the powers of evil!

Everybody

knows that any story would be incredibly boring without antagonists. As a result, I

invite you to meet some of the most dangerous enemies of the Winx Club.

Ready or not,

here come the Trix! Because they are direct descendants of the Ancestral Witches, the

trio is extremely powerful and deadly. What is more, the three sisters attend the Cloud

Tower School for Witches, where they are idolized and feared by classmates and

professors alike. Can you guess why?

To begin with, meet Princess Icy! As her name

suggests, she is as cold and cruel as can be. Besides, she is incredibly powerful and

hates all Alfea fairies! Can you believe that not even her sisters and pets can escape

her torments? You can meet her companion, a silly duckling, in the Halloween's Magic

Cauldron game.

Stormy is the youngest of the three Trix sisters. It's easy to notice

that, compared to her family, she is the most aggressive and sure of herself. What is

more, she is young, wild, and loud. You should fear her rage powered lightning bolts

and her ability to control the weather!

And lastly, but not least, meet Darcy! Even

though she shares her sisters' cruelty, she is more controlled and less violent of the

three. Moreover, she uses darkness, illusions, and hypnotics to confuse and control her

opponents. Isn't that terrifying?

Many other dangerous foes await you in the Winx Club

Games. Are you ready to face them all? Learn the value of friendship from your fairy friends and get ready for battle! You will need to be brave and use the powers of magic wisely to succeed!

There are currently 59 free online Winx Club games on our website.

You can play the games on your computer or laptop, using any browser. Some of the games are also available for your tablets or Android and iOS phones. Here you can see the games 1 - 30.

### **Cidades encantadoras da Europa Central inundadas por água suja de enchentes**

Cidades pitorescas bwin app toda a Europa Central estão inundadas por 5 água suja de enchentes após chuvas fortes do fim de semana terem transformado pequenos riachos bwin app rios tumultuosos que causaram 5 estragos na infraestrutura.

As enchentes mataram pelo menos 15 pessoas e destruíram edifícios da Áustria à Romênia. A destruição acontece depois 5 de enchentes devastadoras bwin app todo o mundo na última semana, quando aldeias inteiras foram submersas no Myanmar e quase 300 5 presos escaparam de uma prisão colapsada na Nigéria, onde as enchentes afetaram mais de 1 milhão de pessoas.

Cientistas do clima 5 dizem que estão preocupados com o dano, mas não surpresos com a intensidade. "As chuvas catastróficas que estão atingindo a 5 Europa Central são exatamente o que os cientistas esperam com o aquecimento global", disse Joyce Kimutai, do Instituto Grantham da 5 Imperial College de Londres.

#### **Rastreador do tempo: A tempestade Boris traz enchentes catastróficas à Europa Central**

Saiba mais sobre as enchentes 5 na Europa Central bwin app nosso rastreador do tempo.

Ela disse que a morte e o dano na África e na Europa 5 destacaram "como mal preparado o mundo está para tais enchentes".

Cientistas têm cuidado ao atribuir chuvas extremas à influência humana porque 5 muitos fatores

moldam o ciclo da água. Embora seja bem estabelecido que o ar mais quente pode conter mais vapor de água, se as chuvas violentas ocorrerem também depende de quanta água está disponível para cair.

Sonia Seneviratne, cientista do clima da ETH Zürich, disse que análises imediatas das enchentes na Europa Central sugerem que a maior parte do vapor de água veio do Mar Negro e do Mar Mediterrâneo, ambos os quais ficaram mais quentes como resultado do aquecimento global induzido pelo homem, resultando em mais água evaporando no ar.

"Em média, a intensidade dos eventos de chuva intensa aumenta em 7% para cada grau de aquecimento global", ela disse. "Agora temos 1,2°C de aquecimento global, o que significa que, em média, os eventos de chuva intensa são 8% mais intensos."

### **'Catástrofe de proporções épicas': oito pessoas se afogam na Europa à medida que as enchentes continuam**

Leia sobre as enchentes na Europa e como elas estão afetando a região.

Os dados da estação meteorológica indicam que rajadas de chuva em setembro tornaram-se mais fortes na Alemanha, Polônia, Áustria, República Tcheca, Hungria e Eslováquia desde 1950, disse Kimutai.

Na Polônia, as enchentes derrubaram uma ponte e arrastaram casas, de acordo com mídias locais. Na República Tcheca, helicópteros resgataram cidadãos presos em águas
