Mexican stud/Stud Loco/Mexican poker\n\n Mexican stud is a roll your own game where the player receives five face-down cards, and has to reveal four of them. The player is dealt two cards (as in traditional five-card stud), and that he/she must expose one of them.

Mexican Poker is played similar to the five card stud format using only 40-cards plus a joker. The eights, nines and tens are removed from a regular deck of cards. The joker is wild unless it is exposed by the dealer. If exposed, the joker can only be used as an ace, straight or flush.
