How To Play

Online Roulette

It's the simplicity of online roulette that makes it a popular choice

among experienced and rookie players alike. When placing a wager, you've got the choice

to bet on red or black, even or odd numbers, specific numbers or number ranges, as well

as other more unique options, depending on the version of the online roulette game you

are playing. The less likely it is for the ball to land on your selection, the higher

it will pay out if it does.

As long as you've got the chips, feel free to place

multiple bets per spin. Once you're content with your bets, get ready to spin the

wheel! If the ball lands where you bet it would, then you win.

The Different Types Of

Online Roulette Games

There are two main types of roulette: American and European. The

main difference between each of these games is the wheel. The wheel in the American

version has both a zero and a double zero. This means the house edge for American

roulette is 2/38, or 5.26%. On the other hand, the European version offers players

slightly better odds. This is because the wheel only has a single zero. This means the

house edge is 1/38, or 2.7%.

There is an additional variant of the European version of the game called French roulette. French roulette is different from the European one in that it offers two additional rules. These rules are:

La partage: If a player lands on the zero, they get half of their wager back.

If a player lands on the zero, they get

half of their wager back. En prison: If you bet high/low, even/odd, red/black and your spin lands on the zero, you are given the opportunity to place your bet "in prison."

The dealer then places a marker on the wager and spins the wheel again. If you win on this spin, your wager is returned to you. If you lose, then your wager is lost.

You can

try your hand at any of these versions of the game with a live dealer or play the classic digital version of roulette. One of the advantages of playing online roulette games is that there are also quite a few variations of the classics in case you wish to spice things up, such as Double Ball roulette, Monopoly Big Spin, or Speed Roulette. You can click on the info button on the bottom-right corner of each game to find more information about their specific characteristics and ultimately pick your favourite one.
