81 Vegas Multi Fruits Review

There are some slot enthusiasts that prefer crazy graphics and gameplay that are just absolutely bonkers. These slots have started isolating the core players that just want solid gameplay mixed with thrills.

SYNOT Games has

delivered a classically entertaining slot with 81 Vegas Multi Fruits that is perfect for newcomers and seasoned expert players. If this sounds like something for you, then do not miss out on 81 Vegas Multi Fruits.

Design

In the background, there's a vibrant background of red with some glowing lights to make the reels stand out. On the reels themselves, there are various fruits to enforce the theme.

All of the symbols are clean

and clear to see which is always a pleasure. It seems that SYNOT has gone for something uncomplicated but done tastefully well.

As for the music, it's a funky track in the

background with bass and techno sounds to create something that grips the players.

Gameplay

There's nothing complex with this slot but there are 4-reels with 81 ways to win as the title suggests. In the gameplay, you'll find multiplier wilds and gamble features leading to greater wins.

At the bottom of the screen, there is a spin

button with bet levels and additional menus in case you need it. To the right side of the screen, there's a mute button in case the music gets too funky for you.

Win

Potential

Amazingly, the RTP for this slot is a respectable 96.02% which is over the average standard. There is currently no determined volatility level, but we experienced high volatility gameplay with this slot leading to larger wins but less often.

In the
gameplay text, it states that the maximum win for this slot is 250,000 EUR with a
maximum win of 500x the stake which is low for an online slot.

Our Verdict

If you are
looking for a slot that is baffling and challenges you - then look elsewhere. The
beauty of this slot is the simplicity and being able to just pick and play it.

81 Vegas

Multi Fruits is a fun and invigorating slot that delivers something perfect for
newcomers and seasoned players.
