Video game that permits only one player

A single-player video game is a video game where input from only one player is expected throughout the course of the gaming session. A single-player game is usually a game that can only be played by one person, while "single-player mode" is usually a game mode designed to be played by a single player, though the game also contains multi-player modes.[1]

Most modern console games and arcade games are designed so that they can be played by a single player; although many of these games have modes that allow two or more players to play (not necessarily simultaneously), very few actually require more than one player for the game to be played. The Unreal Tournament series is one example of such.[2]

History [edit]

The earliest video games, such as Tennis for Two (1958), Spacewar! (1962), and Pong (1972), were symmetrical games designed to be played by two players. Single-player games gained popularity only after this, with early titles such as Speed Race (1974)[3] and Space Invaders (1978).

The reason for this, according to Raph Koster, is down to a combination of several factors: increasingly sophisticated computers and interfaces that enabled asymmetric gameplay, cooperative gameplay and story delivery within a gaming framework, coupled with the fact that the majority of early games players had introverted personality types (according to the Myers-Briggs personality type indicator).[4]

Although most modern games incorporate a single-player element either as the core or as one of several game modes, single-player gaming is currently viewed by the video game industry as peripheral to the future of gaming, with Electronic Arts vice president Frank Gibeau stating in 2012 that he had not approved one game to be developed as a single-player experience.[5]

The question of the financial viability of single-player AAA games was raised following the closure of Visceral Games by Electronic Arts (EA) in October 2024. Visceral had been a studio that established itself on a strong narrative single-player focus with Dead Space, and had been working on a single-player, linear narrative Star Wars game at the time of the closure; EA announced following this that they would be taking the game in a different direction, specifically "a broader experience that allows for more variety and player agency".[6] Many commentators felt that EA made the change as they did not have confidence that a studio with an AAA-scale budget could produce a viable single-player game based on the popular Star Wars franchise. Alongside

this, as well as relatively poor sales of games in the year prior that were principally AAA single-player games (Resident Evil 7, Prey, Dishonored 2, and Deus Ex: Mankind Divided) against financially successful multiplayer games and those offer a games-as-a-service model (Overwatch, Destiny 2, and Star Wars Battlefront 2), were indicators to many that the single-player model for AAA was waning.[7][8][9][10] Manveer Heir, who had left EA after finishing his gameplay design work for Mass Effect Andromeda, acknowledged that the culture within EA was against the development of single-player games, and with Visceral's closure, "that the linear single-player triple-A game at EA is dead for the time being".[11] Bethesda on December 7, 2024, decided to collaborate with Lynda Carter to launch a Public Safety Announcement to save single-player gaming.[12]

A few years later in 2024, EA was reported to have revived interest in single-player games, following the successful launch of Star Wars Jedi: Fallen Order in 2024. The company still planned on releasing live service games with multiplayer components, but began evaluating its IP catalog for more single-player titles to revive, such as a remake of the Dead Space franchise.[13] Around the same time, head of Xbox Game Studios Phil Spencer said that they still see a place for narrative-driven single-player games even though the financial drivers of the market tended to be live service games. Spencer said that developing such games with AAA-scale budgets can be risky, but with availability of services like cloud gaming and subscription services, they can gauge audience reaction to these games early on and reduce the risk involved before releases.[14]

Game elements [edit]

As the narrative and conflict in single-player gameplay is created by a computer rather than a human opponent, single-player games are able to deliver certain gaming experiences that are typically absent—or de-emphasised—in multiplayer games.[15]

Story [edit]

Single-player games rely more heavily on compelling stories to draw the player into the experience and to create a sense of investment. Humans are unpredictable, so human players - allies or enemies - cannot be relied upon to carry a narrative in a particular direction, and so multiplayer games tend not to focus heavily on a linear narrative. By contrast, many single-player games are built around a compelling story.[16]

Characters [edit]

While a multi-player game relies upon human-human interaction for its conflict, and often for its sense of camaraderie, a single-player game must build these things artificially. As such, single-player games require deeper characterisation of their non-player characters in order to create connections between the player and the sympathetic characters and to develop deeper antipathy towards the game's antagonists. This is typically true of role-playing games (RPGs), such as Dragon Quest and the Final Fantasy, which are primarily character-driven and have a different setting.

Exceptions [edit]

These game elements are not firm, fixed rules; single-player puzzle games such as Tetris or racing games focus squarely on gameplay.

Copa América: As 16 times se classificaram para a próxima fase

A Copa América está cheia de surpresas e emoção à medida que avançamos para as quartas de final. Com 24 jogos disputados e a fase de grupos concluída, analisamos quais times estão se destacando e têm as melhores chances de conquistar o título.

1) Argentina

Com vitórias deposito mínimo betfair todos os jogos da fase de grupos, a Argentina liderou o Grupo A sobre o Canadá, Chile e o Peru. Com Lionel Messi no time, eles venceram facilmente. Mas, mais importante, eles continuaram a dominar mesmo sem ele, graças às atuações impressionantes de Lautaro Martínez.

Mudando-se para a linha do meio-campo, a Argentina tem um time disposto a vencer e, principalmente, a humilhar seus oponentes. Rodrigo De Paul, o meio-campista da Seleção, disse: "Eu escolho um inimigo deposito mínimo betfair cada jogo. Não quero apenas vencer. Quero derrotá-lo pessoalmente."

2) Colômbia

A Colômbia está deposito mínimo betfair uma sequência impressionante de 26 jogos sem derrotas. Embora tenham falhado na classificação para a Copa do Mundo de 2024, eles estão mostrando sinais de que poderiam ir longe nesta Copa América.

3) Uruguai

Um dos três times que venceram todos os jogos da fase de grupos, o Uruguai não está brincando. Marcelo Bielsa pouco rotacionou seu time, demonstrando confiança deposito mínimo betfair um grupo de jogadores selecionados.

4) Brasil

O Brasil passou por momentos difíceis desde a última Copa do Mundo, mas eles ainda têm jogadores capazes de fazer a diferença. Com individualidades fortes, o Brasil pode se recuperar e se tornar o time a ser batido no torneio.

5) Venezuela

A Venezuela liderou o Grupo B com uma campanha perfeita, superando as expectativas de muitos especialistas.

6) Equador

O Equador teve sorte de depósito mínimo betfair seu primeiro jogo, com a expulsão de Enner Valencia aos 22 minutos. No entanto, eles conseguiram manter a vantagem e se classificaram para as quartas de final.

7) Canadá

Com uma campanha irregular na fase de grupos, o Canadá conseguiu se classificar de depósito mínimo betfair segundo lugar no Grupo A.

8) Panamá

O time de Thomas Christiansen superou as expectativas ao derrotar os Estados Unidos e classificar-se para as quartas de final.

9) Estados Unidos

Os Estados Unidos decepcionaram nesta Copa América, com uma série de erros e falhas que levaram a uma eliminação precoce.

10) México

O México está de depósito mínimo betfair um momento difícil, com um time sem brilho e uma escassez de talentos.

11) Costa Rica

A Costa Rica teve uma boa participação nesta Copa América, com um time jovem e promissor.

12) Paraguai

O Paraguai teve altos e baixos na fase de grupos, mas não conseguiu obter resultados positivos.

13) Chile
