Pre-order FIFA 23 Ultimate Edition before September 30 to sign an untradeable Ones To Watch player for your squad in FIFA 23 Ultimate Team.

The FIFA World Cup 2024™ will have a big impact on how the season shapes up. During the tournament, as Team of the Week is paused, we'll be adding a brand new upgrade opportunity for Ones to Watch Items called "Nations to Watch". Nations to Watch will see Ones to Watch Items become eligible for a one-off In-Form upgrade if their national team wins a game at the FIFA World Cup 2024™, regardless of whether the player is on the pitch, on the bench or watching from home.

Ones To Watch players are also eligible for a "Wins to Watch" upgrade, a one-time upgrade to their stats if their team wins three matches out of their next eight domestic league games starting from Friday 30th September.

As they leave their mark on the pitch for their new clubs, players' Ones To Watch items will upgrade when they receive a performance-based special item such as Team of the Week or Man of the Match.

They've made their big move, now the world is watching what's next. Ones To Watch celebrates the biggest signings of the transfer window with dynamic FIFA 23 Ultimate Team™ items that have the potential to upgrade all season long based on how players perform for their new clubs. How do Ones To Watch players upgrade?

Ones To Watch player items will upgrade when a player receives a qualifying performance-based item (Team of the Week, Man of the Match) in FIFA 23 Ultimate Team.

Ones To Watch players can also upgrade via the 'Wins to Watch' mechanic - based on their team's performances. They are eligible for a one-time upgrade if their team wins three out of their next eight domestic league games starting from 30th September. The OTW players do not have to feature in the games for them to count towards the upgrade.

In addition, FUT 23 includes an additional upgrade opportunity for OTW players tied to the FIFA World Cup 2024™: 'Nations to Watch'. With Nations to Watch, Ones To Watch players will be eligible for a one-time upgrade if their national team wins any game at the FIFA World Cup 2024™. The OTW players do not have to feature in the game, or be part of their nation's squad to be eligible for the upgrade.

When will more Ones To Watch players be announced?

More Ones To Watch players will be announced in the run up to the launch of FIFA 23 on September 30. Stay tuned to @EASPORTSFIFA on Twitter and @EASPORTSFUT on Instagram for the latest squad announcement as they happen.

How does the Ones To Watch pre-order offer work?

For a limited time, if you pre-order FIFA 23 Ultimate Edition before September 30, you will receive an untradeable Ones To Watch player item in FIFA 23 Ultimate Team.*

What happens if a Ones To Watch Player's in-form is in a different position to their Ones To Watch item?

The player's position on their Ones To Watch item will not change. They will however continue to receive upgrades from that and future applicable in-forms.

How long will Ones To Watch Players continue to receive upgrades?

OTW items will only upgrade based on performances in the 2024/23 domestic season.

What happens if a Ones To Watch Player is transferred/loaned to a different club?

If a OTW player transfers/goes on loan during the season, the OTW item keeps the player's latest upgrade until the player receives an upgrade at their new club, or receives the Nations to Watch upgrade. At that point the OTW item will be updated with the player's new club and latest boosted item. If a player transfers to another club before they receive their 'Wins to Watch' upgrade, they will no longer be eligible for the bonus upgrade.

What happens if a Ones To Watch Player is released by their club and no longer in their team's squad?

If a player is no longer in the squad of the club their item is released for and does not join a new club, they will no longer be eligible to receive any future additional upgrades. This includes the 'Wins to Watch' and 'Nations to Watch' upgrades.

Abogada británica es absuelta de cargos de mala conducta profesional después de dormirse durante una investigación judicial

Una abogada que escribió un libro sobre el sonambulismo y que se durmió durante una investigación judicial ha sido absuelta de todos los cargos de mala conducta profesional.

Ramya Nagesh, miembro de las cámaras comerciales en Gray's Inn Square en Londres, fue acusada por la Junta Estándar de Abogados (BSB) de dañar la confianza pública en la profesión después de dormirse durante una audiencia virtual.

Ella dijo que sufría fatiga y somnolencia excesiva causada por una infección de Covid, deficiencia de vitamina D e insomnio.

Un tribunal disciplinario el martes aceptó unánimemente la evidencia médica de la abogada, concluyendo que dichas afecciones resultaron en una "disminución de la cognición, la memoria y la percepción" que significaba que no podía participar plenamente en la investigación.

Nagesh, quien ha trabajado en la investigación de Grenfell y el jurado de Hillsborough, anteriormente escribió un texto académico legal sobre cómo se tratan los casos que involucran sonambulismo, desmayos y hipoglucemia en el derecho penal.

El libro, titulado *Una guía práctica sobre automatismo insano y no insano en derecho penal - Sonambulismo, desmayos, hipoglucemia y otros problemas*, está disponible por £49.99 en Amazon.

Según los abogados que representan a Nagesh, un juez en el panel de cinco personas, Janet Waddicor, dijo que era "muy preocupante" que la BSB hubiera perseguido el caso sin detenerse para examinar cuidadosamente la evidencia.

La BSB ha sido contactada para comentar.

El tribunal escuchó que Nagesh se durmió poco después de comenzar a comer una papa al horno durante el descanso para el almuerzo de 45 minutos de la investigación.

La abogada despertó y regresó a la investigación casi 15 minutos tarde, a pesar de que el coroner repitiera tres veces que el caso no se aplazaría hasta las 1.30 pm.

La BSB acusó a la abogada de no proporcionar una explicación o disculpa adecuadas por su retraso.

El tribunal escuchó que Nagesh, cuya cámara estaba apagada durante la investigación, se volvió a dormir durante la sesión de la tarde durante casi dos horas.

El tribunal escuchó que el coroner se dio cuenta de que no estaba completamente presente después de que la abogada no respondiera a sus invitaciones para más preguntas.

El tribunal escuchó que el tribunal del coroner, el pasante, su abogado y sus cámaras no pudieron comunicarse con ella por teléfono, mensaje de texto o correo electrónico.
