OVER/UNDER 0.5 GOALS

HELP

How does over/under 0.5 goals betting work?

Basically, this market involves

betting on whether 0 there will be more or less than 1 goal in a particular game. If you think there will be a 0 goal in the game, you should bet on over 0.5 goals. If you think the game will finish goalless (0-0), 0 then you should bet on under 0.5 goals.

How do I

place an over/under 0.5 goals bet on KickOff?

Placing this type 0 of bet on KickOff is

incredibly easy, either as a single or part of an accumulator. To add the over 0 0.5 goals bet to your betslip click the odds under the "OVER 0.5" column and to add the under click 0 the odds underneath "UNDER 0.5".

If you'd like to participate in our

competitions, leaderboards and rankings - including the top 0.5 0 goals tipsters - without risking money with a bookmaker, you can simply save the tip to KickOff by clicking the 0 button next to the KickOff logo on your betslip.

Otherwise, select your

bookmaker from the range of odds presented - the 0 best odds for your single or accumulator will always be calculated and shown in descending order for each bookie.

Click 0 the icon next to their name and you'll be taken to their site to complete your bet.

How do the over/under 0 0.5 goals stats work?

Our goals stats work in the same way

across our goals markets (0.5, 1.5, 2.5 etc). The 0 light green colour coding always represents over on the selected goals market and the dark blue shows the under. For 0 the 0.5 market that means that over 0.5 goals (at least 1 goal) is represented by the light green colour, 0 and under 0.5 goals (no goals or 0-0) by the darker colour.

Form

The form

section shows stats such as goals scored 0 and conceded as well as how many clean sheets a team has kept and how many separate matches they've managed 0 to score in. If you'd like to see the results of individual matches and who they were against click "see 0 results".

League Table

KickOff's League Table is a great way to see if a team performs differently against teams of different quality 0 - for example, they might score loads of goals against teams towards the bottom of the league but completely dry 0 up against those at the top. It might make them a good over 0.5 goals bet against struggling sides, but 0 you might want to take the under when they come up against a top team.

The

League Table shows you this 0 with colour coded results - the home team's results are on the left and the away team's results are on 0 the right. Results which finished with under 0.5 goals are coloured dark blue, while those that finished with over 0.5 0 goals are coloured light green.

xG

xG can be a useful metric to use for goals bets and WDW

tips. xG shows 0 the number of goals a team would have been expected to score (per match) based on the quality of the 0 chances they've created.

Head to Head

Some teams when they

get together just create the conditions for a certain type of match. 0 It might be that both their attacks are set up perfectly to exploit weaknesses in the defence of the other 0 and they always score loads of goals. It might be a local derby where both sides get tense, and every 0 loose ball is so fiercely contested that there's just no space for the attacking players to flourish that always ends 0 0-0. Looking at previous head to head form can be really useful in predicting what might happen. You can do 0 that here.

What's the Pro Menu?

The Pro Menu for over/under 0.5 goals lets you sort all matches by the likeliest to 0 have over 0.5 goals and the likeliest to have under 0.5 goals. This is a fantastic tool if you're looking 0 to build an accumulator as you can easily see the games with the highest chance of winning. It's also incredibly 0 useful to pick out the games where the odds offer value relatively to how likely it is the bet will 0 win.

In addition, the pro menu lets you filter teams to find streaks where teams have scored or conceded in 5 0 or more consecutive games. This is a great way to find

potential value in matches by finding teams which are 0 currently scoring more or fewer than usual - a fact which might not have been priced into their odds.

Filho meu não quer mais possuir nada: a tendência do "underconsumption core" no TikTok

Meu filho disse recentemente que nunca mais quer possuir nada. Ele está passando por uma espécie de rito de passagem fiz um pix no sportingbet e nao caiu que confronta seus hábitos consumistas. No próximo ano, ele pretende "viver como um espartano". Isso me fez pensar fiz um pix no sportingbet e nao caiu minha própria relação com as coisas. Embora eu diga a mim mesma que não compro muita coisa, quando organizei a casa para um hóspede, percebi que acumulei muita "coisa" inutilmente.

Agora, há uma tendência no TikTok chamada "underconsumption core", fiz um pix no sportingbet e nao caiu que jovens apresentam os benefícios de comprar apenas o que é necessário. Existem diferentes "sabores" de underconsumidores. Alguns compartilham dicas de frugalidade básica, como cortar tubos para usar os resíduos de produtos ou reutilizar frascos. Outros apresentam conceitos revolucionários, como "ter apenas uma coisa" (shampoo, bolsa), "procurar alternativas de segunda mão" ou "não substituir coisas a menos que estejam quebradas".

Existem críticas a essa tendência. Algumas pessoas dizem que os usuários do TikTok estão "cosplaying" ou "repaqueting" pobreza. Outros dizem que isso é simplesmente "viver uma vida normal". Mas, independentemente da opinião, essa tendência pode ajudar as pessoas a se reconciliar com a diferença entre a vida real e a vida apresentada nas mídias sociais.

A underconsumption é uma forma de "de-influência" contra o consumismo excessivo e pode ajudar as pessoas a lutarem contra as empresas de bens de consumo e seus influenciadores. Não há nada de errado fiz um pix no sportingbet e nao caiu jovens que tentam se adaptar a esse mundo consumista e, se isso não ressoa com você, é porque você não é o público-alvo.

Então, seja flexível e permita que as pessoas vivam suas vidas. E, se você já reutiliza chá e faz suas próprias exfoliações, parabéns. Mas, se isso não for seu caso, simplesmente beba seu chá e deixe os demais viverem suas vidas.
