Bet365, a popular online betting platform, recently introduced a new and exciting feature - a wide selection of online slots. However, the platform is already well-known for its sports betting offerings and promotions. One such promotion is the "0-0 Money Back" offer, where if a football match finishes with a 0-0 scoreline, players can receive a refund on their losing bets.

How does Bet365's "0-0 Money Back" Offer Work?

The "0-0 Money Back" offer applies to bets placed on correct score, half-time/full-time and scorecast markets. If a match ends with a 0-0 scoreline, losing bets on these markets will be refunded to players' accounts. Bets placed using a player's real money will be refunded to their real money balance, while bets placed using bonus credit will be refunded as bonus credit.

When is the "0-0 Money Back" Offer Applicable?

It's important to note that the "0-0 Money Back" offer isn't available for all matches or markets. It is currently offered on select matches and markets, so it's important to read the terms and conditions carefully before placing a bet. Additionally, the offer is not available for parlays (accumulators) or other combinations of wagers.
