### **Tribunal Supremo de Israel pone fin a excepción militar para judíos ultraortodoxos**

La sentencia del Tribunal Supremo de Israel del martes 0 que puso fin a una exención de décadas para que los judíos ultraortodoxos presten servicio militar podría marcar un cambio 0 sísmico en la trayectoria del país, con implicaciones sociales, políticas y de seguridad.

La sentencia probablemente tensará aún más la coalición 0 de gobierno frágil del primer ministro Benjamin Netanyahu, que depende del apoyo de dos partidos ultraortodoxos que apoyan la exención, 0 incluso cuando Israel está en guerra en Gaza.

La exención de los judíos ultraortodoxos ha dividido durante mucho tiempo a un 0 país donde la mayoría de los judíos de 18 años, tanto hombres como mujeres, son reclutados para años de servicio 0 militar obligatorio. Los israelíes laicos se han molestado siempre por la falta de igualdad.

Más recientemente, la guerra de varios meses 0 en Gaza y los conflictos pendientes en otras partes han resaltado la necesidad del ejército de más soldados.
