Theme & Graphics Although Fruit Zen is fairly simpler to play and understand, it offers the best of what Betsoft has to offer. It features superb graphics and designs plus the game play ensures that players are always excited and comfortably, as they spin their way into winning huge amounts of money. The bonus game gives players something to look forward to, as it keeps players spinning until they discover the secrets hidden in the bonus game. The soundtrack is appropriate as it is calming with the tempo just right for this slot. Players can spin the slot relaxed and as the reels begin to stop one by one you are filled with adrenaline, anticipation rising, expecting to land the wild. If you are lucky, then you get to jump into the bonus game feature and try your luck, campaigning to get the maximum payout. This game is wonderful and it is recommended.

Gameplay/Tutorial Betsoft has always delivered enjoyable and unique games which casino game lovers can never be disappointed with. Players get a chance to discover the ocean filled with fruits as they try and write down their fate through the different combinations on active paylines so as to win big. Very much distinct is the fact that there is a crap enjoying the setting sunset providing a scenic moment while you spin the reels. There are seven symbols related to the fruit and oriental theme. These are: oranges, watermelons, plums, raspberries cherries, lemons and grapes, which can form winning combinations. Matching 3 to 5 of these symbols will give you wins, but always be on the lookout for the Wild Symbol. The wild symbol represented by the Fruit Zen symbol is the high paying symbol. It will determine how much you win while spinning this slot. The anticipation of waiting for the symbols to align on the reels makes this slot amazing.

Paylines In Fruit Zen, you will find 10 paylines which give you the maximum number of chances to win big. The Slot pays both ways with players expected to match at least 3 or more symbol forming matching combinations so as to receive a payout. Players should always aim at landing the Wild symbol as it gives better pay compared to other symbols on the reels.
