## roulette 1 :bet win como funciona

Our Live Roulette games use the latest streaming technology to bring all the action straight to your screen. Immerse yourself in an exciting live casino setting where the dealer spins a physical roulette wheel in front of your eyes.

We offer an impressive selection of casino Live Roulette versions and promotions, with themes to satisfy newcomers and experienced players. This is just one part of our hugely popular casino, so you can switch to games like computer-generated roulette, blackjack, and slots when you fancy a change of pace.

### PLAYING LIVE ROULETTE

Whether you're a seasoned player or you have never bet on roulette before, our live games are designed to be intuitive.

Just as in land-based or digital versions of the game, you choose the size of the chip and put it on the bet you want to make. Classic options include betting on red or black, or you might want to plump for an odd or even number. Alternatively, you could bet on a single number, just make sure you are familiar with the roulette betting options.
