Pirate-Themed Slot Machines

Everyone would love to be a baddie at some point, and is there more exciting a roll than a pirate in search of treasure on the high seas – ooh aargh! The great news is that there are several online slot games that allow us to pick-up our pirate weapon of choice and follow a treasure map in search of untold treasures. Some of that treasure is aboard other ships that you must plunder and pillage, whilst some is buried on desert islands. There's even the chance to meet famous pirates such as Long John Silver and Captain Flint, and some more fun ones such as Captain Jackpot.

Popular Games

If you fancy a bit of swashbuckling on the high seas then you'll definitely want to go on an adventure with Captain Jackpot Ahoy, an online slot game from creators Barcrest. Based loosely on the Pirates of the Caribbean films, you'll join Captain Jackpot in his search to uncover Treasure Maps and ultimately find the buried treasure – of which you'll get your share. There's also chance to do a good bit of old-fashioned pillaging of other ships for which you can win prizes whilst, as the title suggests, you'll also get chance to win a Jackpot!

There's also the chance to

take a sail in the fabled Pirate Ship the Hispaniola, where you'll get the chance to meet legendary pirates Jack Hawkins, Long John Silver and Captain Flint as you sail towards Treasure Island, which is the apt name of this slot from Amaya. On the way you'll get to play bonuses including Stacked Wild Treasure Chests and Scattered Compasses, whilst other bonuses you'll get to play include Pirate Attack in which cannonballs will fire onto the reels, as well as lucrative bonuses in the shape of Island Hop and the Treasure Hunt Bonus as your search for buried treasure reaches its climax.

Amaya have also created another Pirate Adventure for you which is called Pirate Plunder in which you'll get the chance to stake a claim for even more pirate treasure. You'll receive a Captain's Welcome as he invites you to join his crew, and you'll get a share of the booty for finding themed items and other game characters. The fun really starts though when you get to play the Pirate Ship Bonus and the Treasure Map Bonus – which allow you to plunder as much treasure as you can carry.

You can also enjoy a wide variety of pirate weapons if you're a lucky pirate, which is exactly what you will be if you play Lucky Pirate, the online slot from Viaden Gaming. Pick-up your pirate pistols and brandish your cutlass as you and your crew win prizes and bonuses galore for pillaging themed items such as maps and treasure chests, as well as commandeering other pirate ships. There's also a mysterious winking woman who beckons you closer – just be careful that she's not one of those sirens who will drag you into the rocks and leave you to drown!

Stake Your Claim

The great news about all these games is that it doesn't cost you much at all to stake your claim for its treasure. There's a variety of lines, line-bets, coins and coin-values to choose from – and many have stakes that start from as little as 0.01 coins a spin. However, if you'd sooner be a high-roller on these high seas adventures – you'll be pleased to know that you there are plenty of big maximum stakes to make sure you get the most excitement out of each spin of the reels.

Aye Aye Captain

Pirate Slots offer all the thrill of a high seas adventure, plus the chance to plunder a plethora of treasure – so strap on your eye patch (we won't tell anyone) and join in the fun!
