Friv

On our website, you can play Friv games for free. Here you will find one of the largest collections of various games. All of them fall into many categories. Thanks to this, you can easily find exactly the way of virtual relaxation that you like. The first task you need to do when it comes to online games is choosing the right game. You can find your favorite online friv game using the search space, which you can find at the top right corner on the website page. There are many websites with vast collections of games for all your needs. All you need to start playing friv is just a computer and internet connection.

Friv Games for everyone

Everyone will be able to find something suitable on our website. After all, here are presented online games of completely different categories:

- These are educational games for the smallest ones, playing which your children will develop their logic and become more educated;
- Complex logic games which you can play with your whole family or company department;
- Simulation games that allow you to feel like a pilot of an airplane or a racing car, a soccer player or a master of downhill skiing;
- Sports games for people who are not only fans of various types of sports, but who themselves are happy to take part in competitions, even virtual ones;
- Racing games are for people who love to feel the drive and experience the feelings of a true speed car driver.

For the most part, our website has small HTML5 games that will not overload your computer and will not take much time. You can easily play Friv Games even during your work break. And, most importantly, these games are available on any computer connected to the Internet. You will not need to go through inconvenient registrations, answer thousands of stupid questions and wait

several hours to download the game. Just find our website on Google, and you can play wherever you want.

Only Friv for the bold and the fun!

We are glad to present you with a perfect opportunity to play the best Friv games on the Internet. We have collected games of various types so that anyone can find something interesting. On our website, you will be able to play any game you want, be it one of the most popular ones or one that is only making its way to success. Meet various characters throughout your whole gaming experience and help them to achieve their goals. You can play not only the latest releases from the gaming industry but also good old games, which were popular more than a whole decade ago! Even a person with the most specific preferences will be able to find something to fit their taste. Not only will you be able to spend your time funnily, but also to test your logic skills and master them to perfection. Bookmark our website, and you will forget about the question "What to play?" forever. Perhaps this website will even become a favorite place on the Internet for you and your children. By the way, all these Friv Games are suitable for kids.

Our Friv2Online team:

Friv2Online was founded in 2012. Since then, it delivers online games to its users. Our goal is to create the best websites for the promotion of browser games.

### **Boeing enfrenta un "camino largo" para abordar problemas de seguridad, según el jefe de la FAA**

El fabricante de aviones estadounidense Boeing se enfrenta a un "camino largo" para abordar los problemas de seguridad, según el jefe de la Administración Federal de Aviación (FAA) de EE. UU. Esto ocurre cuando la compañía se prepara para recibir el plan de la FAA para abordar las preocupaciones.

### **90 días para abordar problemas sistémicos**

A fines de febrero, el administrador de la FAA, Mike Whitaker, le dio a Boeing 90 días para desarrollar un plan integral para abordar "problemas de control de calidad sistémicos" y prohibió que la empresa aumentara la producción del modelo 737 MAX.

### **Problemas de control de calidad**

Boeing se ha enfrentado a preguntas persistentes después de que una puerta se desprendió

durante un vuelo el 5 de enero en un nuevo 737 MAX 9 de Alaska Airlines, lo que obligó a los pilotos a realizar un aterrizaje de emergencia mientras los pasajeros estaban expuestos a un agujero a 16,000 pies sobre el nivel del mar. Una auditoría de la FAA también encontró problemas graves.

## **Un largo proceso de mejora**

Whitaker le dijo a ABC News que el plan de 90 días, debido la próxima semana, "no es el final del proceso. Es el comienzo y será un camino largo para que Boeing regrese a donde necesita estar produciendo aviones seguros".

El futuro de la producción de Boeing podría verse afectado por este proceso de mejora y por una investigación en curso del Departamento de Justicia de EE. UU. sobre el incidente del panel de la puerta.
