conteúdo:

A poll held by Twitch partner and Call of Duty Twitter account Modern Warzone asks CoD players which game they prefer, Warzone 1 or Warzone 2. Precisely 68,161 people have responded, with a staggering 80% saying they prefer the original Warzone over its 2024 sequel.

[spot bet io](#)

The possible causes are as follows: Low PC Hardware Configuration: Warzone 2 has released its system requirements. If your PC doesn't meet these requirements, you will encounter various gaming issues, including the Warzone 2 lagging issue. Limited PC Resources: The PC resources are limited.

Voodoo Magic Slot Review

By pressing play, you agree that you are above legal age in your jurisdiction and that your jurisdiction allows online gambling.

Max win, RTP and

Information for the slot Voodoo Magic

With Voodoo Magic, Pragmatic Play here comes with

slots where dark magic is practiced. Where it is not only spiritual forces that are being summoned but also big wins. You play here on a slot that has 5 reels, 4 rows and 40 paylines. Here you can choose between making a Min.bet of 0.2 and a Max.bet of 100. It can take longer time before you succeed in getting the bigger wins, as there is a high volatility here. But can you finally manage to get a maximum win of 1000X the amount you bet. The game's RTP is 96.5%.

Pragmatic Play comes here with a new slot

where you can make active choices which will then result in random game conditions.

Let's find out what you can expect to see during the game.

Pick a card and take part in

one of the 3 different free spins variants

We have ended up at a dark and very

mysterious slot that is filled with exciting features. You can land 13 different

symbols during the game. The lower paying symbols are 9, 10, J, Q, K and A. The higher paying symbols are an animal skull, human skull, alligator and the voodoo practitioner.

Here you can also succeed in landing wild symbols and in addition to succeeding in creating more winning opportunities, this symbol also pays the most. The game's bonus symbol consists of a green potion with a skull on it. To spice up the game with additional mystery, here are Mystery symbols that you can get. These consist of purple

cards, which also have a skull on them. Indeed, many skulls during the game and one can only hope that the voodoo doll itself is not active on anyone.

Here you get to take

part in a magical gaming experience

We have ended up here in a very mysterious and magical place, where voodoo is practiced. Within it, spiritual powers are worshiped and through black magic you can summon them. The classic scenario is when you have linked a doll to a certain person and what happens to the doll will also happen to the real person. There are certainly very unpredictable events and a lot can happen, which sums up this slot very well, as you have to be involved and decide your own destiny through active choices during the game. Here you can take part in wilds, Mystery symbols, free spins with 3 different variants and also random spin features in the form of Mystery curses and Fortune hex.

The game's wild symbol can land on all reels and helps create more winning combinations by substituting for all other symbols. The only symbol it does not substitute for is the bonus symbol. These wild symbols can appear in so-called super stacked wilds and create even greater chances of winning.

During the game, many

things can happen, and it is the bonus symbol that is involved in most of them. This symbol can only land on reels 2, 3 and 4.

If you land a bonus symbol on reel 2 and 3,

you get to take advantage of the random spin features. Here you will be given two different potions to choose from. These contain either Mystery curses or Fortune hex.

At the Mystery curses, a random number of wild symbols will be scattered on the reels. Where a number of new winning combinations are then formed. These new winnings are then paid out.

If you instead get the potion feature Fortune hex, all bonus symbols and lower paying symbols will be removed from the reels. What then happens is that all the empty positions will be filled with higher paying symbols. With reels that are only covered by higher paying symbols can result in big wins.

If you succeed in landing

bonus symbols on reels 2, 3 and 4, you will instead get to take advantage of the game's free spins feature. Once you have activated it, you will have 3 different cards to choose from and under these are 3 different free spins variants hidden. Namely Mega Voodoo, Super Voodoo and Voodoo, where these come with different features that can benefit your spins that are being made. On all of them, Mystery symbols will be able to land, depending on which card you choose, different symbols may appear below them. What makes mystery symbols unique is when these symbols have landed, the same symbols will appear below all of them.

Mega Voodoo

You are here guaranteed to win at least 50X the amount you bet, where you can start with 5 free spins. If you haven't reached that win after these spins have been used, you will receive 5 additional spins until the minimum win is reached. Mystery symbols can land during these free spins and below these there is only one of the 5 higher paying symbols, where the wild symbol is included.

Super

Voodoo

You are here guaranteed to win at least 25X the amount you bet, where you can start with 5 free spins. If you haven't reached that win after these spins have been used, you will receive 5 additional spins until the minimum win is reached. Mystery symbols can land during these free spins and during these all paying symbols including wilds can be shown.

Voodoo

You are guaranteed to win at least 10X the amount you bet, where you can start with 5 free spins. If you haven't reached that win after these spins have been used, you will receive 5 additional spins until the minimum win is reached. Mystery symbols can land during these free spins and during these all paying symbols including wilds can be shown.

You can use the game's Bonus buy feature, whereby paying 80X your bet you get the chance to take part in one of the 3 free spins variants. You choose from the three different cards and get a random one of Mega Voodoo, Super Voodoo or Voodoo.

Potions containing Mystery curses and Fortune hex can be found here

Voodoo Magic is a slot where like magic many things can happen. You are here on a slot that has 5 reels and 4 rows, where a variety of exciting features await. Here you can take part in super stacked wilds, mystery symbols, free spins with 3 different variants. There are also random spin features that either have Mystery curses or Fortune hex. During the game, you can succeed in getting a maximum win of 1000X the amount you bet. Are you ready to visit this spiritual and mysterious place?

## NATO acusa a China de abastecer los ataques de Rusia contra Ucrania

Por primera vez, la OTAN se ha unido a las denuncias de Washington sobre el apoyo militar de China a Rusia, acusando a Pekín de habilitar la guerra de Rusia contra Ucrania. En una declaración, la alianza militar exigió que China detenga los envíos de "componentes de armas" y otra tecnología crítica para la reconstrucción de la fuerza militar rusa.

China no puede permitir la guerra "sin que esto afecte negativamente sus intereses y reputación", afirmó la declaración, especialmente llamando la atención sobre el "apoyo a gran escala de China a la base industrial de defensa de Rusia". No se especificaron costos potenciales, aunque el primer paso natural serían sanciones económicas que prohibieran a China de parte de los mercados globales. La declaración también culpa a China por "actividades cibernéticas y híbridas maliciosas, incluida la desinformación" dirigidas a Europa y los EE. UU.

**Antecedentes:** Muchos líderes europeos inicialmente descartaron el acuerdo entre Rusia y China para una "asociación sin límites" como poco probable o irrealista. Pero 29 meses después de la invasión de Ucrania, esa visión ha cambiado drásticamente.

**Ucrania:** Los líderes emitieron un documento oficial que solidifica el compromiso "irreversible" de la alianza de acercar a Ucrania a la membresía.
