Congreso de España aprueba histórica ley de amnistía para separatistas catalanes

El Congreso de España aprobó una ley histórica que otorga la amnistía a los separatistas catalanes que participaron en el referéndum independentista ilegal de octubre de 2017. La medida se había enfrentado a la resistencia de los partidos de la oposición y provocó manifestaciones masivas en ciudades de toda España.

Consecuencias de la ley de amnistía

La nueva ley permite que cientos de personas, entre ellas Carles Puigdemont, expresidente de la Generalitat de Cataluña, puedan evitar procesos judiciales pendientes. Sin embargo, la oposición ha prometido seguir intentando bloquearla y algunos argumentan que la medida viola el principio de igualdad de la Constitución.

Reacciones políticas

La presidenta de la Comunidad de Madrid, Isabel Ayuso, ha anunciado que su gobierno tomará medidas para obstaculizar la aplicación de la nueva ley y presentará un recurso de inconstitucionalidad. Por su parte, Pablo Simón, politólogo de la Universidad Carlos III de Madrid, ha señalado que los jueces también podrían interponer recursos si consideran discriminatoria la concesión de la amnistía.
